Valentine's  
Day

Love

A close-up photograph of a heart-shaped chocolate. The chocolate is dark brown and has the word "Love" written on it in a white, slightly distressed font. A hand is visible at the top, holding the chocolate. The background is a soft, out-of-focus pink and white.

This book is dedicated  
to

**YOU**

who made my life  
special by choosing to  
be with me!
